Mr Mitchel Mayberger,

Dear Sirs,

Re: Duty recovery services

I am writing to express our appreciation for all the work done by your senior consultant Marco Ouellet. His knowledge and professionalism has been a great asset in securing significant duty savings. We recognize that the savings will continue into the future as well.

Marco conducted his work in a professional manner with minimal disruption to our staff's daily work. He was successful in recovering duty after another firm had completed a review. I am pleased to continue to work with your firm and happy to recommend your services to anyone.

Sincerely,

Colin Worley
Director Customs Compliance
